Giving Back

Originally home to the Eastside Church of Christ, this building has served the East Nashville community by providing refuge, safety, and belonging to people in need since 1925. We love this legacy and believe in paying it forward. That's why we have decided to expand our Rooms for Rooms program to The Gallatin. We give away a generous percentage of each night's stay to local nonprofits who are helping those experiencing homelessness here in Nashville. All of these organizations love Nashville's homeless community by providing a safe place to find relief, resources, and the support of a community. None of this would be possible without our guests, so thank you for giving us the ability to do this!

Rooms For Rooms

The average weekend stay provides up to 16 nights in a bed, 100 free showers, or 30 free meals.
